Madonna and Child Mezzotint

Per May 9, 2018 e-mail from Robert Romano colleague Adriana Martinez-

- The "Madonna and Child Print" is a small black-and-white print that the NYDA had stored together with the above-referenced 113 lots, which we transferred to the CFASS storage unit. Per our email exchanges with Christie's Senior VP, Sharon Kim, it appears to be a mezzotint valued at a "few hundred dollars" by the Christie's Print department.
